VETS 2

GSA VETS 2 offers Category Management as OMB BIC

Best-in-Class (BIC) contract vehicles have been designated by the Office of Management and Budget (OMB) as a preferred government-wide solution that:

- ❖ Provides pre-vetted SDVOSB primes
- ❖ Optimizes procurement within government category management framework
- ❖ Supports mature and market-proven solutions and increases transactional data available for analysis of buying behavior

Meet your SDVOSB Socio-economic Goals

- ❖ VETS 2 Contracting agencies receive 100% SDVOSB credit for awarded TOs
- ❖ Period of Performance - 2018 to 2028

GSA VETS 2 Contract Vehicle

- ❖ GSA SDVOSB set-aside contract vehicle
- ❖ Offers BIC IT solutions from a highly qualified pool of industry partners
- ❖ Allows for long-term planning of large-scale program requirements

VETS 2 is a GWAC Contract Vehicle available to ALL Government customers.

VETS 2 Scope of Work

Features	Benefits
5-year base period and one 5-year option period	Allows long-term planning of large-scale program requirements
Comprehensive scope	Allows customized IT services-based solutions to meet mission needs
Multiple contract types: FFP, T&M, LH, etc.	Offers flexibility which mitigates risk
Fully vetted, highly-qualified SDVOSB industry partners	Low risk
Pre-competes, easy-to-use contract with streamlined ordering procedures based on FAR 16.505	Saves time and money and reduces procurement lead time
Protests on orders under \$10M limited to increase in scope, period of performance or maximum value of GWAC	Minimizes protest risk and supports timely award and execution for optimal mission support
